Nestled in The Grove at The Farm, this exceptionally well-maintained home is move-in ready and waiting for its next owners!

With 3 bedrooms and 2 bathrooms downstairs, plus a bonus room, a 4th bedroom, and an additional bathroom upstairs, this home offers ample space to suit your lifestyle.

The kitchen is a chef's delight, featuring generous counter and cabinet space, a pantry, a large island, and an adjacent dining area that comfortably accommodates various table sizes. The primary suite is your private retreat, boasting a spacious ensuite bathroom with a walk-in shower, double vanity, and a

large walk-in closet.

This home provides flexible living options with a cozy living room downstairs and a versatile bonus room upstairs—perfect for a recreation room, home theater, “man cave,” or a private guest area. Two guest bedrooms are conveniently located downstairs, one of which is currently used as an office. The upstairs 4th bedroom and bathroom create the potential for a complete guest suite, ensuring privacy for everyone. Storage is abundant throughout the home, including a dedicated linen closet in the primary ensuite, a coat closet near the foyer, a large storage closet upstairs, and additional walk-in storage accessible via the utility room.

Outdoors, the extra-large screened porch, and the expanded patio area are ideal for relaxing with your morning coffee or hosting a barbecue. Thoughtful upgrades include a fenced backyard, a kitchen backsplash, curbscaping around landscaping beds, a convenient sidewalk to the garbage storage area, aluminum hurricane shutters, upgraded carpet in the bedrooms, a screen-slider in the garage, roll-down Coolaroo shades in the screened porch, plantation shutters throughout the home, upgraded fans and lighting fixtures, and additional concrete patio space in the backyard.
